FINANCIAL POLICY FOR KINETIC FOOT AND ANKLE LLC

Thank you for choosing Kinetic Foot and Ankle LLC. Our goal is to keep our patients informed about our billing policies.

1. Your insurance policy is a contract that exists between you and your insurance company. Our relationship is with you, the patient, and not the insurance company. It is the patient's responsibility to know the specifics of the policy (referral requirements, in and out of network physicians and facilities, Tier 1/Tiers 2, etc.). *If you have questions about your policy, please call the phone number provided on the back of your insurance card.*
2. We are happy to help you understand your insurance benefits but encourage you to call your insurance for clarification. We are not responsible for incorrect information received which results in unexpected, out of pocket expenses. Cost and/or payment by your insurance company cannot be guaranteed by our staff. Regardless of your insurance plan, you are financially responsible for payment for services rendered by Kinetic Foot and Ankle LLC.
3. If your insurance plan requires a referral, you are responsible for providing Kinetic Foot and Ankle LLC the referral at the time of your appointment. It is the responsibility of the patient to provide Kinetic Foot and Ankle LLC with a new referral if the previous referral expired and keep track of the number of visits allowed. Failure to obtain a referral will shift the payment to you the patient and not the insurance carrier.
4. All patients are required to leave a credit card on file. Please see the next page, "Credit Card on File Agreement" for specifics.
5. All copayments and deductibles must be paid at the time of service. If your annual out of pocket expenses have not been met, you will be required to pay a \$125 deposit at the time of your visit and keep a credit card on file (see last page for credit card agreement). The deposit will be applied to your account and a statement will be sent reflecting any additional monies owed following response from your insurance carrier. If it has been stated by your carrier that a deductible deposit cannot be collected at the time of service, a valid credit card will be required and stored securely. Upon claim response, your credit card will be charged and a detailed statement will be provided along with a paid receipt.
6. If you are unable to pay the full amount and a payment plan is agreed upon, a credit card must be kept on file. The card will be charged in the event that you fail to make timely payments as agreed upon in the payment plan.
7. You are responsible to inform us of all insurances in effect and of any changes. Failure to do so will result in the patient being responsible for the cost of services rendered. When multiple policies exist, it is the patient's responsibility to inform us which policy is the primary plan.
8. If you do not have insurance, have a non-participating plan, or are receiving services that are not covered by your plan, payment is required at the time of service.
9. If you miss or cancel an appointment less than 24 hours of the appointment time, the patient may be assessed and will be responsible for a \$30 fee. A \$30 fee will be assessed on all returned checks.
10. If balances are not received within 30 days from the postmark date of a mailed statement, a \$12 rebilling fee will be added to each additional statement sent due to the unpaid balance. Past due accounts of more than ninety days will be turned over to our collection agency. A \$35 administrative fee will be added.
11. We reserve the right to require collection of outstanding balances before your next appointment.
12. We reserve the right to charge a \$15 fee for completion of disability forms/other requested documentation.

CREDIT CARD ON FILE FREQUENTLY ASKED QUESTIONS

WHY DO I NEED TO LEAVE MY CREDIT CARD ON FILE?

To be able to provide excellent patient care and for the practice to run efficiently, we must be paid for the services provided. It is a violation of our Financial Policy if you do not leave your credit card and we have the right to refuse medical treatment.

WHO CAN SEE MY CREDIT CARD NUMBER WHEN IT'S IN YOUR COMPUTER?

The only part we can view is the last 4 digits of the card. We don't ask you to write down the number. Instead, we will swipe the card in our system, charge it one dollar (refund it the same day), and it is securely saved.

WHAT ABOUT MANAGEMENT OR THE CREDIT CARD COMPANY...CAN THEY VIEW IT?

No, staff and management can only see the last four digits as well as the credit card company we use, called TSYS.

WHAT IF I WANT TO PAY MY BILL WITH A DIFFERENT CARD WHEN I GET THE BILL?

You are welcome to pay by cash, check, or a different credit card. Just submit your payment via mail or call us **before the due date** and your card on file will not be charged.

WHAT IF I CAN'T AFFORD TO PAY MY BILL BY THE DUE DATE?

We have payment plans available. Call us **before the due date** on your bill and we will set up a payment plan.

WILL I KNOW IF MY CREDIT CARD IS BEING CHARGED?

If a balance remains after the thirty (30) days, the credit card will be charged. A receipt will then be sent to the address on file showing that your bill was paid.

REMEMBER...THE ONLY TIME YOUR CREDIT CARD WILL BE CHARGED IS IF YOU FAIL TO PAY THE BILL YOU RECEIVED IN THE MAIL BY THE DUE DATE.
